

North Shields Polytechnic A.C. Membership Fees 2024/25

This document outlines the revised Membership Fees for NSP, effective from **1st April 2024**. Club membership fees are due by **30th June 2024**.

Affiliation Fees / Northern Athletics

Affiliation is a fixed fee determined by England Athletics and is set at £19. All members (with exceptions to under 11s) will have to pay for this fee to race competitively. Northern Athletics introduced an Affiliation Scheme which requires that all clubs who wish to participate in Northern Athletics events pay a fixed fee of £2. These affiliation fees (£21) will be automatically charged as part of your overall membership unless you choose to opt out before renewing your membership.

Membership Fees – 2024/25

This year NSP has decided on a small increase of £5 across all memberships to build up savings in preparation to fund some new floodlights, we expect this cost to be more than £100,000. Due to the large investment that will benefit all members, the £5 increase in membership will be ringfenced. We have also decided to remove the linked membership option to equalise the fees across each membership option, we will provide families of 3 or more members a discount code to reduce fees.

***Second Claim athletes that wish to use our facilities must pay the additional fee of £40 to bring their membership in line with other senior members.

****Lifetime members are only required to affiliate to England Athletics if they are still competitive. If this is the case, NSP will pay the Affiliation Fees on their behalf otherwise no fees are payable.
